INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
ANCOP Foundation (USA), Inc.

Opinion

We have audited the accompanying financial statements of ANCOP Foundation (USA), Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of ANCOP Foundation (USA), Inc. as of December 31, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ANCOP Foundation (USA), Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ANCOP Foundation (USA), Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ANCOP Foundation (USA), Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ANCOP Foundation (USA), Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Presentation

The financial statements of the Organization have been prepared in accordance with U.S. generally accepted accounting principles ("U.S. GAAP"), which require the Organization to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions. Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the board of directors.

Net assets with donor restrictions. Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses during the reporting period. Actual results could differ from those estimates.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Contributions Receivable

Contributions receivable at December 31, 2023 consists of pledges receivable. Management has determined no allowance for doubtful accounts is necessary.

Revenue Recognition

The Organization is supported primarily through contributions. In accordance with ASU 2016-14, Not-for-Profit Entities (Topic 958) – *Presentation of Financial Statements of Not-for-Profit Entities*, contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Contributions that are restricted by the donor are reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the contribution is recognized. All other donor restricted contributions are reported as an increase in net assets with donor restrictions, depending on the nature of restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. As permitted by Topic 958, donor-restricted contributions whose restrictions are met in the same year may be reported as unrestricted support.

Contributions

Contributions are provided to the Organization either with or without donor restrictions. Revenues and net assets are separately reported to reflect the nature of those gifts - with or without donor restrictions. The value recorded for each contribution or grant is recognized as follows:

Nature of the Gift	Value Recognized
<i>Conditional gifts and grants, with or without restrictions</i>	
Gifts and grants that depend on the Organization overcoming a donor-imposed barrier to be entitled to the funds	Not recognized until the gift becomes unconditional, i.e., the donor-imposed barrier is met
<i>Unconditional gifts and grants, with or without restrictions</i>	
Received at date of gift - cash and other assets	Fair value
Received at date of gift - property, equipment and long-lived assets	Estimated fair value
Expected to be collected within one year	Net realizable value
Expected to be collected in future years	Initially reported at fair value determined using the discounted present value of estimated future cash flows technique

ANCOP FOUNDATION (USA), INC.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Contributions - Continued

Contributions received and unconditional promises to give are recorded as public support at fair value in the period received and are considered to be net assets without donor restrictions unless specifically restricted by the donor. Contributions are recorded net of estimated uncollectible amounts. Conditional contributions are recognized as revenue when the conditions on which they depend have been substantially met. The Organization records contributions as donor restricted if they are received with donor stipulations that limit their use either through purpose or time restrictions.

When donor restrictions expire, that is, when a time restriction ends or a purpose restriction is fulfilled, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Restricted contributions received and expended in the same fiscal year are reflected as without donor restrictions.

Donated Services and Supplies

Donations of services and supplies are recorded as contributions at their fair value at the date of donation. The Organization reports the donations of goods as unrestricted support, unless explicit donor stipulations specify how the donated assets must be used. Contributed services are reported as contributions at their fair value if such services create or enhance nonfinancial assets, would have been purchased if not provided by contribution, require specialized skills and are provided by individuals possessing such specialized skills.

The financial statements do not reflect the value of the services for volunteers in the Organization's various programs because, although substantial, no reliable basis exists for determining the appropriate amount.

Functional Allocation of Expenses

The costs of providing various programs and activities have been summarized on a functional basis in the statement of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The expenses that are allocated include the following:

<u>Expense</u>	<u>Method of Allocation</u>
Salaries and wages	Full time equivalent
Professional fees	Full time equivalent
Other expenses	Full time equivalent
